

- You should aim to do at least two different tasks each week as well as regular reading to an adult.
- Remember to use capital letters and full stops where you need to and present your work neatly.

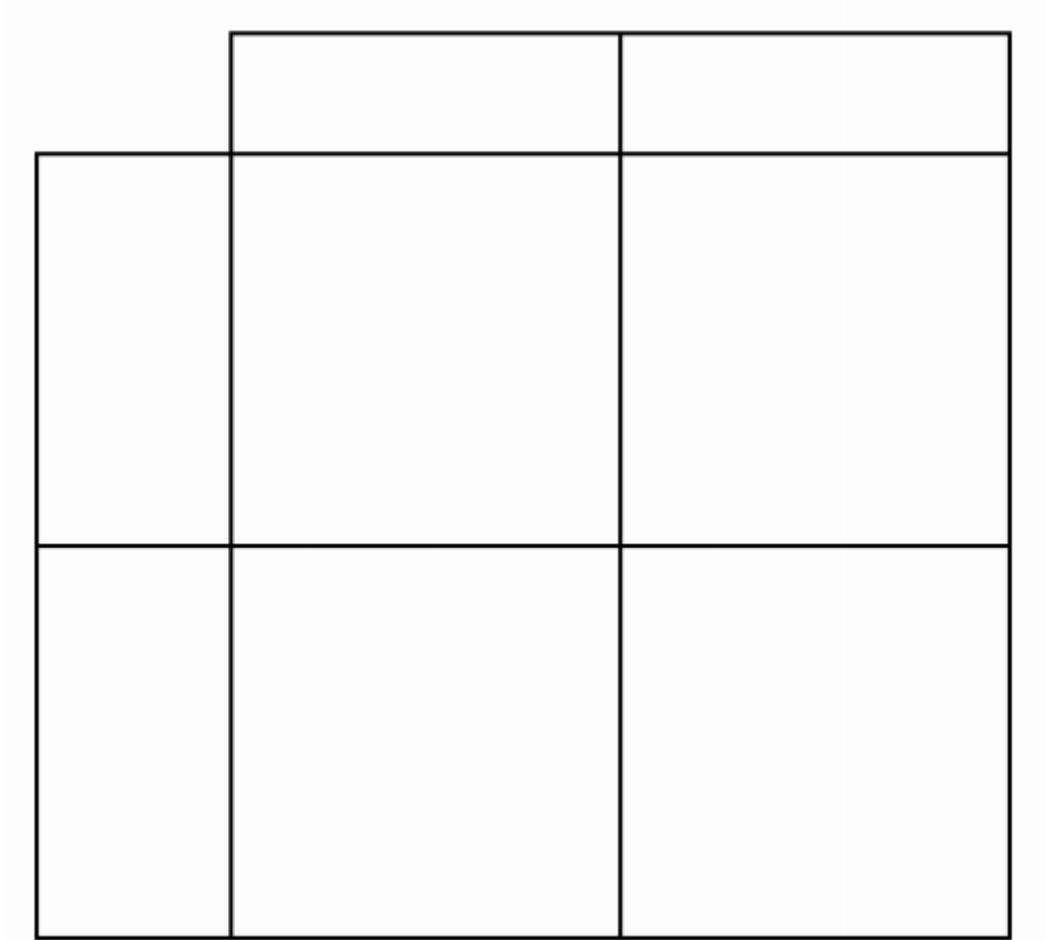

Maths	English	Discovery
Pick a number and find 10 more, 10 less, 1 more and one less. 	Play the homophone matching game on http://www.bbc.co.uk/skillswise/game/en21watch-game-paris-word What can you find out about Samuel Pepys? Write some facts about him.	Have a go at making your own bread rolls just like the bakery in Pudding Lane. https://realfood.tesco.com/recipes/really-easy-bread-rolls.html Investigate the warmest place in your home and the coldest place.
Write down some of the number bonds to 100 using addition and subtraction.	Write a diary entry for each day in one week. What have you done? Where have you been? How did you feel? etc	Watch the video to see how the fire spread on https://vimeo.com/92272538
Find some examples of 2d shapes in your home and describe the vertices and sides.	Investigate plural spelling patterns on the game https://www.phonicsplay.co.uk/PondLifePlurals.html	Hide something (a small toy) in some water, freeze it and then time how long it takes to melt.
Double the numbers using the game http://www.ictgames.com/robindoubles.html	Write a senses poem based on the things that happen at winter. eg I can see ... I can hear	Design your own fire scene, you could paint the flames or use colouring pencils or be more creative.
Practise 2x, 5x and 10x times tables to ensure you know all division and multiplication facts with instant recall.	Look at the phonics game found on http://www.ictgames.com/fallingPhonics/onlineVersion/	Find out where the coldest place to live is and the hottest place to live. Explain why.
Make a Carroll diagram with your criteria. (See other sheet)	Write a description about your favourite toy using interesting adjectives.	Research a famous landmark in London and write a fact file about it or can you draw it?
Play the symmetry game on https://www.topmarks.co.uk/symmetry/symmetry-matching	Learn to spell these topic words: fire, smoke, burning, London, bakery, bucket, leather, frozen, Arctic, Antarctic, house, water,	Visit a bakery. What does it sell? What does it look like? Can you find the prices of different cakes and bread?
Choose ten 2-digit numbers and partition them into their tens and ones.	Write a sentence for each of the above topic words.	Create a hot or cold scene in a shoe box. It could be a desert or Arctic scene or something from your imagination.
Write ten addition and ten subtraction sentences with the answer as 12. Can you write some multiplications too?	Learn to spell these Y2 common exception words: climb, only, break, pretty, beautiful, class, move, sure, sugar - or some of the year 2 words on the second sheet.	Create your own snowflake; you could cut it out of white paper.

In addition to this work, please read to an adult at least three times a week and tell them about the book you are reading: Who are the main characters? Where does the story happen? What might happen next?
