Charging and Remissions Policy

The Governing Body has resolved to make charges as allowed by the Education Reform Act 1988.

CHARGING POLICY

School Meals

The charge for a school meal will be set annually by the governing body following consideration of the Catering Business Plan as part of the annual budget setting process.

All meals taken by pupils who are not eligible for free school meals will be chargeable and parents/carers are expected to make prompt payment. For arrears of £10 and above parents/carers will be reminded of their debt by telephone/email/letter. If debts are not cleared this may lead to a child not being able to have further school meals.

There is no charge for pupils who are entitled to free school meals or universal infant free school meals.

Educational visits:

The school:

- will seek voluntary contributions from parents/carers where applicable
- will not exclude a child from participating in an activity during the school day on financial grounds

Where 10% or more of parents decline to make the requested voluntary contribution (their identity will remain confidential), or the contributions shortfall is £50 or more, then the visit or activity will not take place.

Residential activities:

The costs of residential activities can be high and such activities may only continue to be available if sufficient costs are recovered.

Charges that apply:

- travel costs – transport to and from the residential activity
- board and lodging
 - full cost of board and lodging on residential trips whether or not it takes place during school hours
 - parents / carers will be informed of the cost before the activity takes place
- 10% of the cost of the trip for admin costs and credit card/online payments costs
- full cost recovery for residential activities that take place outside of school hours

NB> The school may subsidise the cost of any residential trip for children of families claiming free school meals 50% of cost per pupil

Where parents change plans and decide for their child not to attend a residential, a refund may only be available if the provider agrees to refund minus any admin costs. The school shall not be accountable or cover and such costs.

No charge applies:

- where parents / carers in receipt of certain benefits may claim exemption in accordance with the remissions guidance below
- for education costs incurred on any visit during school hours
- for education costs incurred on any visit outside school hours if it part of the school's curriculum

Music Tuition

Instrumental tuition or singing lessons do not form part of the curriculum but are an additional activity arranged by the school and delivered by specialist tutors either on an individual basis or as part of a group, following parental request. The cost of such lessons is dependent on the charges applied by the tutors, the size of the group, the duration and frequency of each lesson.

The school operates on full cost recovery basis. However, in order to ensure equal opportunities for all pupils, charges for music tuition within school hours for pupils eligible for free school meals or children in care will be considered for remission in accordance with this policy (see remissions section).

There will be no charge applied if the music tuition forms part of a public examination syllabus being followed by a pupil of the school.

Examination fees

No charge when:

- an exam is part of the curriculum
- an exam is on the school's set examinations list
- the pupil has been prepared for that exam by the school
- the exam is not on the set list, but has been arranged by the school

Charges do apply when:

- the pupil has not been prepared for the exam by the school
- the pupil wishes to re-sit an exam
- the pupil fails to reach the required standard without good reason (the school may ask the parents to pay the original exam fee)

Extra-curricular activities:

Curriculum related clubs

Where these activities run outside of normal school hours, (ie. sports clubs, homework club, art club) a charge may be made to cover costs of equipment, teaching or non-teaching staff, specialist staff /coaches or materials used. The total charge will not exceed the actual costs incurred in the provision of the activity and will be set by the headteacher in consultation with the Personnel, Premises & Finance Committee.

Parents/carers will be advised of any such costs before their child is allowed to undertake any such activity and participation will be on the basis of the parents' willingness to pay the charges.

Where clubs are run through an outside provider, eg Clubbly, the company costs shall be determined by the company and included in the cost to parents of any activity club.

Parents/carers are able to claim remission from such charges in accordance with the guidance below.

Where the voluntary contribution applies to an educational visit or extra-curricular activity, if the sufficient level of contributions is not achieved, that activity will be cancelled; any monies already collected will be refunded to the relevant parents/carers.

DBS checks

The school will cover the cost of DBS checks for all employed staff.

The school will cover the cost of DBS checks for volunteers.

REMISSIONS POLICY

The headteacher and Chair of Governors will authorise the remission of charges in all cases.

The school will consider the remission of charges to parents or carers who receive the relevant support payments (in accordance with the current DfE listing) which make their child/children eligible for free school meals and for children in care.

All claims for remission of charges should be addressed to the headteacher and will be dealt with confidentially.

The school may decide to subsidise part or all of the payment of some charges for certain activities and pupils; each event or case will be considered individually by the headteacher and the governing body.
