

Week 3
3 May 2024

Attendance News

The highest attendance for the week beginning 22 April was Y2 Barn Owls with 98%.

**** Remember it is a bank holiday on Monday so school is closed ****

Cancer Research

It was great to see the children all dressed in bright colours on Wednesday as we supported Cancer Research. Thank you for all the donations - we raised £442.00.

Football

Springfield boys football team welcomed a very strong Perryfields team in a league match. They fought valiantly but with two key players missing due to injury we suffered a 5-0 defeat. They showed great resilience and battled to the end and player of the match was Ollie.

Maths Photography Competition

It's time to get creative with our first ever maths photography competition. Over the coming weeks, we encourage you to look for maths in your daily lives and the world around you - in your home, at school, in the supermarket, during your daily dog walk or on a trip to the playground...this is your chance to get creative and make mathematical connections. It's simple - take the perfect photo and email it to photos1@springfield-pri.essex.sch.uk together with a short explanation of the image, where it was taken and why you selected it for the competition. All entries to be submitted by Friday 17 May. The winning entries will be framed and displayed in school.

Mrs Youngs

Word Millionaires

Sreya in Year 6 and Pravadha in Year 4 are our newest Word Millionaires. Well done to them both.

Play Equipment

Parents are reminded that children should not be using any playground play equipment before or after school. The children know they should only be used during school time with a school adult present.

Writing Letters

Year 4 children have been learning how to write a formal letter. They have each written, edited and typed a letter to someone they admire to people such as David Attenborough, David Beckham, Jacqueline Wilson and Dav Pilkey. Hopefully we might receive some replies.

Wall Bars

The wall bars in the hall have been replaced and updated. They will be used in gymnastics lessons and today year 4 children tried them out for the first time.
