

SUBJECT LEADER ACTION PLAN 2024-2025

MUSIC SUBJECT LEADER

Intent: (What is your goal?)	Implementation: (How will you achieve this? What actions will you take to ensure this happens? How often will it happen?)	Desired Impact: (What is your intended outcome? How will you know that this has been achieved? What will the children say? What will staff say?)	Intended date for completion	Completed?
To develop the peripatetic music room, making it a functional working space.	Labels for instrument storage	Instruments and resources will be stored efficiently and clearly labelled to enable teachers to use the equipment.	Autumn 2	
Introduce more opportunities for children to perform or enjoy music experiences	Samba drumming session at Boswells School Rockband opportunities for all Life music performances for children to experience Young Voices at the O2	Opportunities for children to perform or enjoy a musical performance.	Spring 2	
To develop an understanding of how music is being delivered throughout school.	Observe teachers delivering music lessons Conduct a pupil survey or speak to pupils about their views of music at our school.	Having an insight into how music is being delivered and pupils views on music will help me to see what further development is needed across the school.	Spring 2	
To explore opportunities available through Essex Music Services.	Sign up for music educators newsletter to keep up to date with news, projects and opportunities for music.	Extra opportunities for children to be exposed to projects and opportunities involving music.	Summer 2
