Attendance News

The highest attendance for the week beginning 13 January was Y4 Polar Bears with 99%.

Young Voices

Our junior choir travelled to the O2 this week to sing as part of a Young Voices concert. They sang and danced together with thousands of children from across the country, performing an exciting range of musical theatre, pop and reggae classics. It was a real treat to see our experienced singers leading the way with confidence and to see those experiencing the thrill of this event for the first time performing with huge smiles and enthusiasm. There will be an opportunity to see the junior choir sing selected songs from the day during our normal after school session on Wednesday 12th February. Please join us if you can.

Road Safety

Some of our EYFS and Y5 children took part in road safety sessions last week with the others taking part tomorrow. EYFS parents were also invited in to hear about a road safety. This session focused on the importance of road safety and simple rules to follow as pedestrians, scooting or cycling.

As our Y5 pupils are starting to make more independent journeys, the session aimed to equip students with knowledge of important road features, safe crossing checks and tools to keep themselves safe. The children completed training at the roadside.

Y5 Science

Year 5 have been studying the movement of the planets in science. Yesterday we moved outside to demonstrate the orbit of our planets and compared it with the ancient orbit theories around Earth. Check out the video on our school twitter feed.

Word Millionaires

Congratulations to our latest word millionaires: Ameyaa and Agastya both in Y6 Lions.

Craft Club

KS2 craft club made a colourful paper spinning toy. We glued paper strips to make the lantern part. We cut wooden doweling for the stick and attached a straw to hold it in place to enable it to spin. This week, we are making bird feeders as we have been talking about the Big Garden Bird Watch in assembly.
