Attendance News

The highest attendance for the week beginning 19 January was Y3 Turtles with 98%.

Year 3 Buggies

Last week, Year 3 were making buggies in their DT lessons. They learnt how to use hacksaws and sandpaper. They measured the lengths of wood and dowel before cutting it. They then added moving axles and wheels to create their final buggy.

Y4 Sumdog

This week, Year 4 have been participating in Sumdog's East of England Maths Contest. On Wednesday Penguins were the overall daily winners, beating all of the other schools. Polar Bears were a very close second too.

Mr Perry

Micky

Time is flying and Micky is turning 10 months old next week. He is proving to be the most loving dog who is at his happiest spending time with children in class or on walks outside. He's been busy greeting children at the gate in the mornings helping everyone start the day with a smile. Micky is also continuing his training and is now mastering some of the basic commands. If only he could learn to wash his own feet that would be the best trick ever, especially with all of this recent rain and mud.

Disco

The PTA Years 3-5 disco will be on Thursday 14 May. Watch this space for how to get a ticket nearer the time.

Y1 Music

Year 1 have started learning to play the recorder. So far we are beginning to master the notes B, A and G. Playing the recorder is helping us to develop our fine motor control as well as our musical understanding, and we're really enjoying making music together.

Mrs Fisk

EYFS Bear Hunt

This week we have been reading 'We're Going on a Bear Hunt' so we got our wellies on and acted out the story. We went to different parts of the school and pretended we were in the environments from the story such as the sticky mud, the deep cold river and the long wavy grass. As we walked we retold the story using descriptive words until we finally met the bear in his cave and he chased us all the way back to class.

Mrs Jones

Parent Workshops

On Tuesday 10 February at 2pm, parents are invited to join their child/ren in class to take part in an oracy and problem solving event. Come and join us and see how your children use oracy talk tactics in their lessons giving reasons to justify, clarify, reason, collaborate etc.

If you have more than one child, you are more than welcome to take them to one of their classrooms for the activities.

PTA New

Y3-5 Disco

This will take place on Thursday 14 May and we'll be celebrating our wonderful Year 6s at their Leavers' Disco on Saturday 4 July.

Tuck Shop - New date: Friday 13 February

Due to the bad weather forecast, this Friday's tuck shop has been postponed. It will now take place on Friday 13th February, the last day of half term - a perfect chance for the children to pick up a treat before they enjoy the week off. Thank you for your understanding and support.

School Lottery - Support Springfield Primary School & Win Every Week

For just £1 a week, you can join the Springfield Primary School Lottery and help raise vital funds for our children. Every ticket directly supports school projects, from new equipment to enrichment activities, while giving you the chance to win great prizes.

Every week you get -

- Entry into the £25,000 national jackpot
- A guaranteed weekly prize for one of our Springfield supporters
- Automatic entry into special Super Draws throughout the years
